# DC70 Series DC70 Load bank

## Light weight, compact load bank providing 3kW of load capacity; 70A from a 50V source.

## **Key features**

#### Portablility

#### Easy to use

Lightweight enclosure, manufactured from aluminium and fitted with a carrying handle on the removable lid, which is also used for cable storage. Load banks are supplied with two power cables with quick release connectors. Included with the unit is one set of (2 x) 25mm2 cable, 2.4m long with M 10 lugs for supply side connection.

#### Precise control

6 switched load steps including a fully variable section provide a load bank with precise control.

#### **Current measurement**

Fitted with a DC shunt for accurate current monitoring, the DC70 provides 2 banana plugs for connection to an external display and/or logging system.

## **Optional extras**

- Additional supply cables available in 5m lengths as standard or made to custom length if requested, with supply side connection method to suit the intended use.
- **Protective PVC cover** available for protection during transport or storage.

## Ratings

Voltage, V DC	50
Maximum capacity, kW	3
Current range, A	0.6 to 70

## **Control and ventilation**

Manual controls	6 x Load section toggle switch 1 x Rheostat variable section control
Control interface	Manual controls (described above) 1 x Current shunt with 100A/100mV ratio
Cooling	Forced convection, horizontal cooling
Fan(s)	2 x DC axial type
Control supply	48V DC
Source	Internal, taken from supply under test

## **Operating environment**

Suitable for	Indoor use only
Ambient temperature	-10°C to 50°C
Humiditity	95% RH
Ingress protection	IP20

### Construction

Resistor elements	Wound steel tape
Element material	High grade stainless steel
Enclosure	Aluminium; painted RAL9002 grey
Portability	l $ {\rm x}$ protective lid with integrated carry handle

## Weight and dimensions

See general arrangement drawing reference 161509

Length, mm	400
Width, mm	200
Height, mm	500
Weight, kg	10

## **Connection interfaces**

Load controls	2 x Quick release connectors (1 cable set included)
Measurement	2 x 4mm Banana sockets
connections	

Over current and short circuit

fuse protection

#### Testing and standards

Every unit is subjected to routine testing before dispatch, including functional operation, electrical insulation testing and visual inspection.

Declaration of conformity document reference: 161510

#### Documentation

Supplied with an operation and maintenance manual and routine test report as standard.

#### Training and support

Training can be provided by the manufacturer at our headquarters or on-site, please contact our support team to find out more.

#### Warranty

The equipment is covered by a 12-month warranty.
